

HELLO, and welcome to Cambridge! It's a pleasure to invite you to spend some of your Michaelmas with us as we host a term of outstanding speakers and marvellous parties. Debate the future of our country with the Editor of the Spectator, be entertained at dinner by the lovely Rachel Johnson. And, as a tonic to your academic exertions, join us for some fun and frivolity too – even better if you can wash it down with plenty of gin.

My best,

ABOUT CUCA

Cambridge University Conservative Association is the largest and most active political society at Cambridge, with a membership greater than that of the Labour Club and the Liberal Democrats combined. Founded in 1921, CUCA has a glittering roll of alumni (and not all of them Conservatives) including six Chancellors of the Exchequer, seven Home Secretaries, and four Foreign Secretaries, as well as the current Deputy Prime Minister Nick Clegg and the Lord Chancellor Ken Clarke.

JOIN CUCA

All our speaker meetings are free and open to all, but membership entitles you to discounted entry to our social events. Membership is just £5 for a year, or £10 for life. Join online at www.cuca.org.uk.

Guests will be treated to a champagne reception in the Combination Room followed by a fabulous three-course dinner served in the Hall with a variety of wines and port. Not forgetting the traditionally uproarious afterparty.
